What training is needed to work in this field?	*laugh* I have none... and have done ok so far. You must have a deep love of cooking and writing and have an ability to multi-task.
What is a typical week like or what do you spend most of your time doing in your job?	When writing the cookbooks: I wake up. Decide what I'm going to test for the day. Go to the grocery store. Come home, test recipes, write or re-write the recipes. Write text for book. Take a break. Walk the dog. Get back on the computer and answer fan mail, take care of website.
What is the job outlook for this field?	?
What are the benefits of working in this field?	You can write off food as a business expense.
What advice or other information do you want to share with someone considering this field?	You won't get rich writing cookbooks.
